Service Availability

Laboratory draws are available Monday through Friday from 7 a.m. to 6 p.m., with same-day service offered.

Medical imaging and respiratory services are scheduled only after an eligibility screening. Representatives from these departments will contact patients directly to complete the screening, determine eligibility, and schedule the services.

Massage services and toenail trims must be booked by the patient with the departments providing those services.

All Wellness Days services are paid for at the time they are received.
